The Truth About Dirt

It can cost more than \$500 to remove 1 pound of dirt after it has been tracked into a building. Up to 24 pounds of dirt can be tracked into a building by just 1000 people coming through an entrance every day over a 20 day work period. Without adequate matting, 42% of a floor's finish can be removed within the first 6 feet of an entrance after only 1500 people have walked in.

Supreme Knob

THE ULTIMATE PERFORMANCE WITH THE LOOK OF QUIET SOPHISTICATION

Super duty needle punch matting with hobnail pattern. Can be installed indoors as well as outdoors. Spike and skate resistant. Impervious to many chemicals such as caustic soda, chlorine, petroleum products, ice melters and salts. Permanently anti-static and has enhanced UV stability. Mold and mildew resistant and can be cleaned by vacuuming, hosing or hot water extraction. Holds approximately 7 litres or 1.85 gallons of water per square yard. Edging, logo, seaming and bordering programs available.
