Clarke MA10 12E Upright Autoscrubber

For generations the mop and bucket was the only option for cleaning small spaces, but simply spreading dirt around is neither effective nor sanitary. This is why Clarke developed the MA10™ 12E Upright Scrubber. Not only does its compact, lightweight design allow you to clean very tight areas, but its superior productivity gets the job done fast, giving you more time for other tasks.

- Two-hand grip provides comfortable operation with a 12” cleaning path
- Removable tank in tank design makes filling and emptying easier
- Low deck profile gives the operator easy access to hard-to-reach areas
- Dosing cap makes adding the right amount of detergent much easier

\$ 1,795.00 Regular price \$2,395.00 #203548

Clarke MA50 15B Autoscrubber

The battery powered Clarke MA50™ 15B autoscrubber delivers the cleaning performance you require in the compact size you need. Compact, maneuverable design allows cleaning in areas with limited space.

- 15” scrub path with an efficient curved squeegee right behind the brush
- Cord-free and includes maintenance free batteries with on-board charger
- 3.5 gallon tanks and almost 2 hour run time allow for maximum productivity
 - Lift off recovery tank can be dumped into a sink
- Creates a cleaner environment than mopping in less time

#203550 **\$ 3,195.00** Regular price \$4,250.00

Clarke CA30 20B Autoscrubber

The Clarke CA30™ 20B combines a 20 inch wide cleaning path with a long-lasting onboard battery and charger. That means you can clean faster without having to worry about the nearest wall outlet or looking for the charger when the job is done.

- 20 inch wide cleaning path
- Long-lasting low maintenance batteries and onboard charger
- Easy-to-use fingertip controls
- Low profile design for cleaning tight, hard-to-reach areas
- Rounded squeegee for easy and complete solution pick-up

\$ 5,249.00 Regular price \$6,995.00 #203547
