- 61 dB, 20 kg. weight (empty) and a 9.1m Electrical Cord #201607 **\$ 649.00** Regular price \$795.00

## Cannon 39" Push Sweeper

Commercial 39" push sweeper with dual side brushes. Efficiently sweep warehouse floors. Faster and with less dust than using a push broom.

- 23" Main Broom and two 8" side Brooms
- 55 Litre capacity in the hopper
- Weight of 21 kg.

**\$ 495.00** Regular price \$595.00 #449534

## Cannon 2-Speed 17" Floor Machine

This 17" two-speed scrubbing/polishing floor machine is ruggedly built for the day in/day out work environment.

- 1.5 hp motor with triple planetary, all steel transmission
  - 180 rpm scrubbing and 320 rpm polishing speeds
  - 5" rear non-marking castors
  - Pad Driver Included

**\$ 1,349.00** Regular price \$1,695.00 #449532

## Clarke MA50 15B Autoscrubber

The battery powered Clarke MA50™ 15B autoscrubber delivers the cleaning performance you require in the compact size you need. Compact, maneuverable design allows cleaning in areas with limited space.

- 15" scrub path with an efficient curved squeegee right behind the brush
- Cord-free and includes maintenance free batteries with on-board charger
- 3.5 gallon tanks and almost 2 hour run time allow for maximum productivity
  - Lift off recovery tank can be dumped into a sink
- Creates a cleaner environment than mopping in less time

#203550 **\$ 3,495.00** Regular price \$3,995.00

## Cannon SJ460E 17" Corded Autoscrubber

The Cannon SJ460E provides a 17 inch wide cleaning path with a 15m electrical cord which means you never have to stop to charge the batteries.

- Pad Driver and Floor Brush included.
- 40 Litre solution and 45 Litre recovery tanks
- 40 kg pad pressure
- Simple intuitive control panel
- 72 kg. empty weight
- Curved squeegee for easy and complete solution pick-up

**\$ 2,995.00** Regular price \$3,495.00 #244996

## Cannon SJ460 17" Autoscrubber

The Cannon SJ460 provides a 17 inch wide cleaning path with two 100 aH sealed batteries providing up to 3.5 hours of run time.

- Pad Driver and Floor Brush included.
- 40 Litre solution and 45 Litre recovery tanks
  - 40 kg pad pressure
  - Automatic Shelf Charger
  - 72 kg. empty weight
- Curved squeegee for easy and complete solution pick-up

**\$ 3,995.00** Regular price \$4,495.00 #244993

How much time can you save when cleaning with an autoscrubber over using a traditional mop and pail?

According to an independent study; cleaning 1000 sq. ft. takes the average person 18 minutes when they use a mop and pail. When using a 15" autoscrubber that same 1000 sq. ft. takes the average person 13.5 minutes. A time savings of 25%! A 17" autoscrubber takes 11 minutes and finally a 20" autoscrubber takes 8.5 minutes to clean 1000 sq. ft. A substantial savings when compared after a year of cleaning.

# Cannon 20" Traction Drive Autoscrubber

The Cannon SJ530BT combines a 20 inch wide cleaning path with long-lasting (3.5 hours) sealed 120 aH batteries.

- Includes pad driver and floor brush.
- 60 litre solution and 65 litre recovery tanks.
  - 32 to 96 kg of brush pressure.
  - Machine net weight of 235 kg.
- Low profile design for cleaning tight, hard-to-reach areas
- Parabolic squeegee for easy and complete solution pick-up

**\$ 6,495.00** Regular price \$7,995.00 #249999

# Clarke CA60 20D DISC

No other manufacturer comes close to matching Clarke's combination of serious cleaning ability and green benefits in autoscrubbers. All of the Clarke scrubbers feature important benefits such as low noise levels, improved user ergonomics, on-board chargers, breakaway squeegees and more.

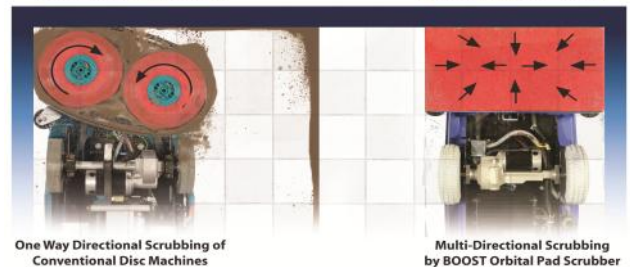

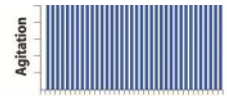

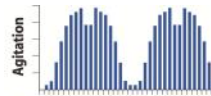

- 20" Pad Driver with 16 gallon solution/recovery tanks
- Easy operation with One-Touch Scrubbing Operation
- Pad assist forward motion
- 130 amp hour wet batteries and on-board charger
- Maximum pad brush is 60 pounds

**\$ 9,495.00.00** Regular price \$11,149.00 #249015

# Clarke Boost Technology

If you demand high levels of cleaning with the ultimate in green benefits, BOOST® Technology is what you've been looking for.

- The only autoscrubber technology that is truly capable of chemical-free finish removal!
  - Up to 70% less water & chemical usage
    - 25% increase in battery runtime
      - 40% increase in pad life
    - Half the trips for dumps and fills
  - Reduced noise levels to improve operator safety

One Way Directional Scrubbing of Conventional Disc Machines

Multi-Directional Scrubbing by BOOST Orbital Pad Scrubber
